

InnovatED

A TEACH FOR INDIA INITIATIVE

Fostering the next generation of
education entrepreneurs in India

What is InnovatED?

InnovatED is an incubator for early-stage entrepreneurs from Teach For India working towards eliminating educational inequity

Identify

We identify promising early-stage education entrepreneurs from Teach For India

Grow

We support them to grow their innovation as well as their entrepreneurial leadership

Establish

We assist the entrepreneurs in establishing their organizations

What does InnovatED offer?

Stipend for eight months

Access to coaches and mentors

National innovation boot-camps

Peer community of entrepreneurs

Professional advice in areas such as legal, HR & finance

Office hours with Innovation staff

Are you eligible for InnovatED?

- ✓ Are you a Teach For India **Alumnus**?
- ✓ Are you **developing an idea** that aims to eliminate educational inequity in India?
- ✓ Do you commit to **working full-time** on your early-stage enterprise?
- ✓ Do you have a **prototype** of your idea?
