

TEACHFORINDIA

Campaign Leader and Assistant Campaign Leader

Position Summary

A Campaign Leader/Assistant Campaign Leader (referred to as CL/ACL going forward) is responsible for ensuring that students on campus are aware of the education crisis in India and the Teach For India Fellowship Program. The ideal candidate is committed, well-networked and high on taking initiative on campus.

They will drive the Teach For India brand on campus, embody Teach For India's core values and be able to deliver results that will ensure Teach For India continues to fuel the movement that will end educational inequity.

Eligibility

- Must be enrolled in one of the universities listed in our application form.
- Should be a pre final year for the ACL role or final year student for the CL role from any stream.
- Must be able to attend our onboarding program virtually.
- Must be able to devote 4 hours on average per week from July 2021 to April 2022. The hours are flexible so you can manage your work schedule around your academic commitments.

Responsibilities

Primary responsibilities include but are not limited to:

- Lay foundation for the establishment of the Campus Chapter (If required)
- Plan and organize high visibility events on campus for pre-final and final years
- Connect TFI to key influencers-Faculty/Deans/HOD
- Engage with campus student media
- Lead dept. engagement activities
- Support the Recruitment Manager with High Potential Talent identification in campus
- Drive attendance at TFI events
- Assist the college applicants to become a part of the Movement

Benefits

- *Build professional skills:* CL & ACL will get the opportunity to receive training and build strong communication, campaigning and project management skills while still at university. They will also have access to training Professional Development spaces with the Senior Leadership at Teach For India
- *Performance recognition:* We strive to ensure strong performance is recognised and rewarded and as such you will be eligible for non monetary rewards such as letter of recommendation, opportunity to volunteer in Teach For India classrooms among many others!
- *Leadership Experience:* The CL & ACL will be leading the Campus engagements of your college and also mentoring the students throughout the selection process for Teach For India Fellowship.
- *Build your network:* CL & ACL will get an opportunity to interact with Teach For India classrooms, connect with Campaign Leaders from the Teach For All Network and interact with diverse Teach For India verticals.
- *Flexibility:* CL & ACL benefit from a flexible working system, so with the exception of pre-planned events, you will be able to plan and manage your own time.
- *Play a role in fighting the ed inequity:* Working towards fighting the education inequity is a challenge and being a part of the Teach For India movement will be a great learning experience.
- *Acknowledgement:* Both CL & ACL will receive a certificate on successful completion of the role
